Experience

Accenture Operations | Product Designer | Nov 2020 – Dec 2023

- Designed digital products for finance and accounting workflows, improving usability for complex enterprise use cases across core business processes.
- Conducted user interviews, discovery exercises, and problem-framing sessions to identify root causes and define product requirements.
- Produced multiple design directions for key problems, then iterated with stakeholders and engineering teams to align user needs with technical feasibility.
- Strengthened the in-house design system by proposing and contributing reusable UI components that improved consistency and design efficiency.
- Led best-practice and workflow-organization sessions for a 60+ member design team, helping raise design quality and team productivity.

Accenture (DEI-Analytics) via Primus Global Technologies | UI Designer | Jun 2018 – Aug 2020

- Designed enterprise desktop applications, web landing pages, and executive-facing presentation assets for analytics-led business initiatives.
- Translated complex data stories into simpler dashboards and visual formats that improved readability and stakeholder understanding.
- Partnered with SMEs and stakeholders across 4+ industries and 5+ business functions to shape design outputs around business context and user needs.

- Delivered polished visual design solutions for internal and leadership-facing communications in high-visibility environments.

CampusDiaries Media Pvt. Ltd. | Operations Associate | Jan 2016 – Jun 2016

- Managed on-ground activation for the Tata Nano GenX campaign across 30+ college campuses in India.
- Coordinated logistics and accommodation planning for 200+ international guests during the 25 Under 25 Grand Summit 2016.

NCR Eduservices | Online Maths Tutor | Dec 2014 – May 2015

- Taught mathematics to school students in the UK through an online learning program, supporting engagement and conceptual understanding.

Education

B.Tech, Nanotechnology – Amity Institute of Nanotechnology, Amity University, Noida | 2010 – 2014 | GPA: 7.57
